

OOPsie Meeting

OOPsie

LP1, 2021

Meeting participants: Axel Larsson, Petter Blomkvist, Simon Engström,
Simon Johnsson, Love Lindqvist
Facilitator: Simon Johnsson
Date: 2021-09-28

§1 Meeting startup

How is everyone?

Simon E. is tired and doesn't feel good. Axel feels good. Love is feeling good. Petter has reached a state of zen. Simon J. is having good coffee.

Meeting objectives

Evaluate our current progress and decide how to move forward.

§2 Reports

1. None

§3 Discussion items

1. Finishing the first iteration
2. Saving and loading users
3. Designing for MVC

§4 Outcomes and assignments

We decided to wait with implementing a GUI and felt that unit tests satisfy our acceptance criteria and definitions of done. We discussed the package implementation of MVC where we decided to layer the controllers after each function.

Assignments

Finish User tests in order to satisfy current acceptance criteria.

§5 End of meeting

Next supervisor meeting on thursday 9:00 (2021-09-30).
